Subject: Updates to the Administrator's binder

Ryan has asked that the updates discussed in today's budget prep be available for the Administrator before he leaves.

Can you please provide me edits discussed/requested for his briefing book by COB today? Items I noted include the following list; if there are others I have forgotten to include please let me know.

1. Sarah - permitting in OW
2. Mandy/Brittany – factsheet on SIP backlog
3. Mandy – fact sheet that explores solutions for achieving attainment and what we are doing to help states meet standards
4. Nancy – 1) top ten for TSCA; 2) IRIS 3) Flame Retardants
5. Sam/Brittany – Updates to accomplishments
6. Troy – Q&As

Thanks,

Holly
